

## ***Dunn & Jenkins Saloon***

Welcome to the Dunn & Jenkins Saloon!

When we were trying to come up with a name for our new saloon we made some interesting discoveries. "Tascosa" was a frontier town, near what is now Boy's Ranch, between the late 1800's and the early 1900's. The town had a reputation for being a fairly rowdy place with some legendary gun fights.

While researching Tascosa, the oddest thing happened—we ran across some ancestry for the managing partner of Tascosa Golf Club, John Dunn. It seems that one of his ancestors, perhaps his great, great grandfather owned and ran a saloon in Old Tascosa. It was named the Dunn & Jenkins Saloon or Jenkins & Dunn Saloon.

To really "make things weird" on of the principal La Paloma golf course development team members was a gentleman named Mike Jenkins, who is President of Landscapes Golf Group. In light of these discoveries (or omens) we decided to revisit the past and call our "establishment" the Dunn & Jenkins Saloon.

Tip one back for the old cowboys of Old Tascosa!
